Trafalgar Update – Kent B

The intent of taking on Trafalgar over 10 years ago was to help them get back on their feet and Trafalgar has been working towards that goal for quite some time now and it appears they are ready to make that jump. Below is the tentative schedule:

- April 12th Kent will speak during our one service Sunday on both Trafalgar's desire and our willingness for them to become a separate GMC church.
- May 17th would be the all-church vote (Updated to May 3rd). There would be the Blessing service/time of prayer to "bless Trafalgar as they begin a new direction".
- Transition would formally happen after Church conference
- 3 month window for non-penalty time starting in April ~1% of outstanding balance (\$2,500)
- Jack will work with Mike Womack to set up a new member class focusing on the GMC for anyone wanting to join on April 12th
- Jack is classified as a "valid elder" for GMC

Pastor's Report SC – Jeff B

Past few weeks been challenging with staff changes. Jeremy leaving for missions in Romania, Andrew leaving to a different kind of ministry and Julie stepping down after many years of service. These changes have been known for a while but feeling more real now. we trust that God is working and leading, the timing of all this is difficult. On a more positive note, Braquel A picked up many of Melissa T's duties and handling them well. Sharon continues to work hard on job descriptions, procedures and polies. We are actively searching for Director of Youth Ministries, Praise Team Worship Leader and a Marketing /Communication leader.

In August we are planning a Volunteer Fair where lay leaders will present ministries and help individuals find their place(s) to serve. This will be followed by Mt Auburn's 200th Celebration Homecoming!
